

IDEIA Tribal Count Data Requirements Part C (Birth through 2 years)

INSTRUCTIONS

Instructions: Each Tribe/tribal point of contact must send forms to the appropriate Tribe/tribal organization Early Childhood Coordinator for early intervention/early childhood special education services. It is suggested that you also send a copy to the Tribal leader (do not send to official only). A copy of the form may be obtained from the Bureau of Indian Education website, www.bie.edu/home. This form is due to the Bureau of Indian Education (BIE), Sue Bement, BIE Early Childhood Programs, 2001 Killebrew Drive – Suite 122, Bloomington, Minnesota 55425 by January 30, 2019. Completed forms may be submitted to the Early Childhood Programs office by fax (952) 851-5439 or mail. Please call (952) 851-5423 for questions regarding the completion or submission of the forms.

Instructions to Tribal Representatives: A form may be obtained online at the Bureau of Indian Education website, www.bie.edu/home. The count date is **December 1, 2018**, with a due date of **January 30, 2019**. This count will be utilized to determine **funding** for the period July 1, 2019– June 30, 2020. Completed forms are to be submitted to the BIE Early Childhood Programs before January 30, 2019.

- The count must include all Indian infants and toddlers (all Indian children aged from **birth through age 2 years** as of December 1, 2018);
- The count must be **unduplicated, i.e., each infant and toddler is represented only once in the sections of Part C Table 1**;
- The Indian infants and toddlers counted **MUST be residing on the reservation**;
- You must use the categories of the State in which the reservation is located;
- You are **requested** to work with the State Lead Agency in the numbers identified, etc., and provide information identifying children counted in the December 1, 2018 count;
- **See attached Flow Chart for additional information.**

Table 1

Section A: Count by age the TOTAL number of Indian infants and toddlers residing on the reservation.

Section B – Count by age the number of Indian infants and toddlers receiving early intervention services from the tribe (screening, follow-up, tracking, etc.). This is determined by actual one to one contact with a child or family. See definition of “Served” – Part C.

Section C – Count by age, the number of Indian infants and toddlers who have been identified/ referred and will receive Early Intervention services within 45 days.

Section D – ONLY DO THIS SECTION IF THE STATE WHERE THE RESERVATION IS LOCATED HAS SELECTED THIS OPTION (i.e., New Mexico, etc.).

Certification – Signed by an authorized tribal official (who is not the Tribal Education Office Director)

Assurance – Signed by an authorized tribal official (who is not the Tribal Education Office Director)

Paperwork Reduction Act Statement: This information is collected to satisfy a statutory mandate established by the Individuals with Disabilities Education Improvement Act, 25 U.S.C. §§ 1400 *et seq.*. The information is supplied by respondents to receive a benefit. It is not confidential because it is displayed in an aggregate format. It is estimated that responding to the request will take an average of 20 hours to complete. This includes the amount of time it takes to review instructions, gather and maintain the data needed, and complete the form. In compliance with the Paperwork Reduction Act of 1995, as amended, this collection has been reviewed by the Office of Management and Budget and assigned a number and expiration date. The number and expiration date are at the top right corner of the form. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless there is a valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to: Information Collection Clearance Officer, Office of Regulatory Affairs – Indian Affairs, 1849 C Street, NW, Mail Stop 3071, Washington, D.C. 20240. Please note: comments, names and addresses of commentators are available for public review during regular business hours. If you wish us to withhold this information, you must state that prominently at the beginning of your comment. We will honor your request to the extent allowable by law.

Definitions

1. **At-risk Infant or toddler** – An individual under 3 years of age who would be at risk of experiencing a substantial developmental delay if early intervention services were not provided to the individual”. 20 U.S.C. § 1432(1).
2. **Child find** – On-going activities designed to facilitate, locate and identify Indian children residing on the reservation, who are aged from birth to age two (0-2) and from age three to age five (3-5) and who may be in need of early intervention and early childhood special education services.
3. **Developmental delay** - Defined by the state and “as measured by appropriate diagnostic instruments and procedures, in 1 or more of the areas of cognitive development, physical development, communication development, social or emotional development, or adaptive development.” 20 U.S.C. §1432(5)(A)(i).
4. **Early Intervention Services** – Developmental services that-
 - A. Are provided under public supervision;
 - B. Are provided at no cost except where Federal or State law provides for a system of payments by families, including a schedule of sliding fees;
 - C. Are designed to meet the developmental needs of an infant or toddler with a disability, as identified by the individualized family service plan team, in any 1 or more of the following areas-
 - i. physical development;
 - ii. cognitive development;
 - iii. communication development;
 - iv. social or emotional development; or
 - v. adaptive development”
 - D. Meet the standards of the State in which the services are provided, including the requirements of this subchapter;
 - E. Include-
 - i. Family training, counseling, and home visits;
 - ii. Special instruction;
 - iii. Speech-language pathology and audiology services, and sign language and cued language services;
 - iv. Occupational therapy;
 - v. Physical therapy;
 - vi. Psychological services;
 - vii. Service coordination services;
 - viii. Medical services only for diagnostic or evaluation purposes;
 - ix. Early identification, screening, and assessment services;
 - x. Health services necessary to enable the infant or toddler to benefit from the other early intervention services;
 - xi. Social work services;
 - xii. Vision services;
 - xiii. Assistive technology devices and assistive technology services; and
 - xiv. Transportation and related costs that are necessary to enable an infant or toddler and the infant’s or toddler’s family to receive another service described in this paragraph;
 - F. Are provided by qualified personnel, including-
 - i. Special educators;

- ii. Speech-language pathologists and audiologists;
- iii. Occupational therapists;
- iv. Physical therapists;
- v. Psychologists;
- vi. Social workers;
- vii. Nurses;
- viii. Registered dietitians;
- ix. Family therapists;
- x. Vision specialists, including ophthalmologists and optometrists;
- xi. Orientation and mobility specialists; and
- xii. Pediatricians and other physicians;

G. To the maximum extent appropriate, are provided in natural environments, including the home, and community settings in which children without disabilities participate; and

H. Are provided in conformity with an individualized family service plan adopted in accordance with section 1436 of this title. 20 U.S.C. §1432(4).

5. **Infant or Toddler with a disability** – (A) An individual under 3 years of age who needs early intervention services because the individual –

- i. is experiencing development delays, as measured by appropriate diagnostic instruments and procedures in one or more of the areas of cognitive development, physical development, communication development, social or emotional development, and adaptive development; or
- ii. has a diagnosed physical or mental condition that has a high probability of resulting in developmental delay; and

(B) may also include, at a State's discretion –

- i. at-risk infants and toddlers;
 - ii. Children with disabilities who are eligible for services under section 1419 of this title and who previously received services under this subchapter until such children enter, or are eligible under State law to enter, kindergarten or elementary school, as appropriate, provided that any programs under this subchapter service such children shall include-
 - (I) An educational component that promotes school readiness and incorporates pre-literacy, language, and numeracy skills; and
 - (II) A written notification to parents of their rights and responsibilities in determining whether their child will continue to receive services under this subchapter or participate in preschool programs under section 1419 of this title.”
- 20 U.S.C. §1432(5).

6. **Individualized Education Plan (IEP)** – A written plan developed by a multidisciplinary team for a child with a disability that is reviewed, and revised accordingly.

7. **Individualized Family Service Plan (IFSP)** – A written plan for providing early intervention services to an eligible child and the child's family.

8. **Parent Training** – Training provided to parents supporting the care and education of their child(ren).

9. **Public Awareness Activities** – Those activities which the tribal early intervention program utilizes to get the word out to the community and referral sources about the program.

10. **Related service** -Transportation, corrective and supportive services, i.e., speech, physical and occupational therapy, recreating, social work, counseling, medical services, etc.
11. **Screening** - A quick and basic appraisal of how the child is doing. The screening helps to determine service needs and can be done by most people who work with children from birth to age three.
12. **Served** - A term utilized in determining the level of services provided by a tribe that includes direct related service activities, and/or identification and intervention through screening, assessing through local child find efforts. ‘Served’ should be determined by actual one to one contact with a child or family.
13. **State Lead Agency** - The agency identified by each state that is responsible for providing Early Intervention and Identification services for all children within the state. (IDEA, Part C)
14. **Transition at age** – The IFSP or IEP should address the transition of a child from early intervention services to preschool, preschool to kindergarten or to other services. The focus of transition planning focuses on parent training support, and procedures to prepare the child and family for changes in services delivery, including steps to help the child and family adjust and function in the new setting.

**PART C
TABLE 1**

**REPORT OF INDIAN INFANTS AND TODDLERS WITH DISABILITIES
RESIDING ON RESERVATIONS IN ACCORDANCE WITH PART C OF
THE INDIVIDUALS WITH DISABILITIES EDUCATION IMPROVEMENT ACT (IDEIA)**

DECEMBER 1, 2018

Tribe or Tribal Organization: _____
